Jahn World Language Academy

**HISTORY FAIR 200_
PARENT LETTER**

The History Fair of the 200_ school year is just around the corner and the teachers at Jahn School would like to make this year's one of the best. Here at Jahn we are working very hard to make sure our students can achieve all that they are capable of. We can provide them with a portion of the information and resources they need to complete a successful project, though we cannot give them everything. Therefore, we ask for your assistance. We need you, at home, to help with a variety of tasks, all to enable your child to do the best he or she can. This may include *taking your child to the local, regional or downtown library as needed (you may have to a few times so that your child can find all the information for the project)*, visit museums or other fine cultural institutions in the city, or even travel to a specific business or organization so your child may interview someone. In any case, we are hoping that you will do all you can to help your child with his or her project. Your child and the staff at Jahn thank you for your support.

If you would like to contribute even more than this, you may contact Jahn School any time you please at 773-534-5500. The coordinating teachers are Ms. Tracey Pinter of the 6th grade and Mr. Merel of the 7th and 8th grades. Thank you in advance for your generosity.
